Dear Rickwood Estates Community,

On behalf of everyone at Stripey Stork, thank you all so very much for all the wonderful presents that you collected for our Santa Stork campaign. They are such thoughtful presents, and we know they will make many children happy this Christmas. Thank you so much for choosing to support our work, we really appreciate it.

Our Santa Stork campaign is now in full swing. This year we have already received requests for 3,700 children living in poverty in Surrey and Croydon to receive a Christmas gift, and the numbers continue to rise. The contribution from your community will help us keep our promise that every child referred to us receives a gift chosen just for them. That's only possible because we are surrounded by such generous and caring people. Your support plays a real part in making this moment of joy happen for local families.

If anyone from Rickwood Estates would like to visit Stripey Stork then do please get in touch, we would be delighted to show you round.

With warmest thanks and best wishes for the festive season from everyone at Stripey Stork,

Millie Jaspert
